

TRANSPORTATION INDEPENDENCE

PROGRESS YOU CAN SEE. INDEPENDENCE THEY CAN FEEL.

5 residents purchased their own
vehicles using earned income

All 5 are paying for their own auto insurance.

Every milestone is a step toward independence.

Reliable transportation expands access to work, education, health care and the opportunities that build long-term stability.

YOUR IMPACT

Every statistic represents a young woman choosing hope over hardship, independence over instability, and opportunity over obstacles. Through education, mentorship, workforce preparation, and life-skills development, we are helping foster young women build futures filled with purpose, stability, and success.
